

## Community Care Team

Our Community Care Team of 9 staff is led by Dr Ann Choo, a 75 year old healthcare veteran who retired from Tan Tock Seng Hospital. The team is responsible for managing befrienders as well clients directly, offering counselling and dementia screening services. In FY2016/7, the team in partnership with 44 befrienders, served more than 200 clients. Our oldest client who subsequently became a befriender is 92 years of age.
